1.174 BUILDING SECURITY

The Multnomah County **{Central}** Courthouse, the Multnomah County Justice Center, East County Courthouse, the Juvenile Justice Complex and any other facility or location where the court conducts its proceedings are court facilities for the use of members of the public to exercise their rights to view proceedings and handle their affairs through the court. This right of access may, however, be overcome by conduct detrimental to the safety of the court's Judicial Officers, other Officers of the Court, its employees, and members of the public. This type of conduct may result in the ejection of a person or party from these facilities and possibly their restraint from entering these buildings for a specified period of time. Such detrimental conduct may include, but is not limited to:

- (1) Direct physical assault upon any person;
- (2) Destruction or theft of court records or posted public notices;
- (3) Vandalism, defacing, burning, or other physical destruction of any device or room within these facilities;
- (4) Intimidation, extortion, coercion, or other forcible conduct aimed at interrupting the court's Judicial Officers, other Officers of the court, and its employees in the course of their work or at interfering with members of the Bar or of the public in their dealings with the court;
- (5) Any conduct which interferes with or interrupts a court proceeding;
- (6) Any entrance into an area of these buildings designated off-limits or for employees only;
- (7) Any introduction of noxious odors designed to deny members of the public the use of any public part of these buildings;
- (8) Any attempt, either by fraud or threat, to gain access to confidential court records or material;

- (9) Any attempt, either by fraud or threat, to gain access to the private office of a Judicial Officer, the Court Administrator, or other Court Officer;

- (d) If a judge is requested to set a motion for hearing, and the judge determines that the court lacks jurisdiction over the matter, then the motion will not be set for hearing. The parties will be notified in writing by the court that it does not have jurisdiction and the legal basis upon which it bases its conclusion.

plea of guilty. If the state is not able to determine if the incident or the defendant is diversion eligible at the time of arraignment or determines that the defendant is not eligible to enter diversion and files an objection, then the case will be set for jury trial in the normal course with leave to the defendant to file a petition, if timely, and to set a hearing for the court to make a final determination on this issue.

- (5) If more than 30 days has elapsed from the date of first appearance set on the uniform citation summons and complaint or set in a release agreement on a release from custody on a law enforcement officer's probable cause arrest and booking of the defendant for DUII, the defendant must first appear for a determination by the court that there is good cause for the late filing of the petition before the defendant may be accepted into the diversion program.

- (7) No refunds of diversion fees will be made to any individual who for any reason fails to complete the program after diversion has been granted.
- (8) If companion violation offenses are filed at the time the diversion charge is filed, such companion citations will remain with that charge until the petition is allowed by the court. If the petition is allowed, the judge in the diversion court will take a plea of no contest or set the companion charges for trial.
- (9) If a misdemeanor is filed with a diversion charge, the cases shall be consolidated, and shall remain consolidated, until the diversion hearing. If diversion is granted, the cases shall be severed and the companion case will be set for trial.
- (10) If a diversion offense is filed in a single charging instrument with one or more felony charges, unless severed, the diversion petition must be filed timely in the case containing the felony charges.

- (11) Diversion cases filed in the East County Courthouse shall be processed and screened as indicated in this Rule. The judge will rule on the timeliness of the diversion request and will determine whether diversion will be allowed.
- (12) Except for SLR 4.075(11), decisions on diversion eligibility or disqualification will be made by the judge assigned to the diversion court. Decisions on whether to grant or deny an extension of the 12 month diversion period under ORS 813.225 will also be made by the judge assigned to the diversion court. No attorney or defendant shall request that judge's decision to be reconsidered or reviewed by any other judge in the Circuit Court.
- (13) **{If at the end of the initial diversion period all requirements have been met and the defendant or their representative has filed a motion for dismissal as outlined in ORS 813.250, the court will administratively dismiss the DUII charge without the need for a hearing.}**

- (1) If one party requests a pre-trial settlement conference, the settlement conference shall be held and shall be conducted according to the procedures set forth in this rule. Except in the case where the court orders a conference, the pre-trial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held. The judge conducting the settlement conference may require the party requesting a conference to certify that reasonable efforts to achieve settlement have been attempted by the parties and that they have been unable to resolve the controversy without the court's assistance.
- (2) The Presiding Judge shall designate a judge or judges who shall conduct pre-trial settlement conferences. In the event a party requests a specific judge to conduct a conference, that request shall be honored as fully as practical under the circumstances.

- (4) Each pre-trial settlement conference shall be scheduled to allow adequate time for meaningful settlement discussions. Additional settlement conferences may be scheduled by the assigned judge or by agreement of all attorneys and parties.

- (6) No judge conducting a pre-trial settlement conference under this rule shall be permitted to act as trial judge if the case does not settle, unless the parties stipulate to such procedure.

In domestic relations cases, counsel shall also provide a copy of the proposed distribution of assets and liabilities, and, if support is involved, the proposal for and computation of support, to opposing counsel at least one business day prior to the scheduled pre-trial settlement conference. Except for the information described in the preceding sentence, any documents or information submitted to the judge shall

For purposes of this rule, a jury trial shall be deemed concluded when the jury returns a verdict.
- (3) The trial judge may elect to delay commencement of the case until the fees are paid, but failure to pay the fees as stated in SLR 6.025(1) shall not be grounds for a postponement.

6.027 PERSONAL COMMUNICATION DEVICES IN JURY ROOMS DURING DELIBERATIONS AND IN COURTROOMS DURING PROCEEDINGS

- (1) Unless otherwise permitted by the judge presiding over the trial, personal data or communication devices (any electronic or other equipment capable of communicating with others outside a jury room, including, but not limited to personal computing devices, cell phones and pagers) are not allowed in a jury room during jury deliberations.
- (2) After a jury has been instructed and charged to commence deliberations the courtroom clerk will collect all such devices and retain them in a secure place during deliberations.

**CHAPTER 7
CASE MANAGEMENT AND CALENDARING**

7.015 TRIAL READINESS CIVIL CASE MANAGEMENT CONFERENCE

- (1) The parties in all civil cases must participate in a trial readiness case management conference unless the case has been dismissed, transferred to arbitration, transferred to the Expedited Civil Jury Trial Program or transferred to a special assignment, unless the Presiding Judge otherwise directs. The court will not generate a trial date in these cases without conferring with the parties and there will be no “regular course” trial date postponements. The purpose of this conference is to facilitate the selection of a firm trial date and to assess readiness for trial. The court will ask the parties to identify remaining tasks to be resolved including discovery issues, expected remaining pretrial motions, and any known scheduling problems for parties and witnesses. Parties are expected to be prepared to discuss these matters and to present to the court a proposed trial date to which the parties have agreed. The court will set a trial date no later than one year from the filing of the original complaint or six months from the filing of a third party complaint under ORCP 22C, whichever is later, unless the parties establish good cause for a later trial date. If the court permits a case to be scheduled beyond one year, the parties will be subject to SLR 7.016 and will be required to participate in a case status conference prior to the trial date. Any request for a postponement of the trial date selected at the trial readiness conference must be presented as provided in 7.025 and will not be granted without a showing of good cause.
- (2) At least thirty-five days prior to the conference the court will send notice to all counsel or self-represented litigants who have appeared in the case unless this period is waived or shortened by the Presiding Judge. The notice will announce the date and time for the conference, the location and instruct the parties to come prepared with an agreed upon trial date. A postponement of the Trial Readiness Civil Case Management Conference may be granted for good cause shown presented by a request, supported by a motion and declaration, at the Presiding Judge’s *ex parte*.
- (3) The parties may appear by phone unless the court otherwise indicates.

7.016 PARTICIPATION IN APPROPRIATE DISPUTE RESOLUTION

- (1) Every civil case shall be subject to subsection (2) of this rule.
- (2) All parties and their attorneys, if any, are required to participate in some form of appropriate dispute resolution, beyond negotiation directly or indirectly to reach a joint settlement, including, but not limited to, arbitration, mediation or judicial settlement conference. The parties must sign and file, within 365 days from the filing of the first complaint or petition in the action, a certificate (See Certificate of Participation in Alternative Dispute Resolution, Forms Appendix) indicating that the parties have participated in such ADR mechanisms. If the action is fully disposed of

in the circuit court within 365 days from the filing of the first complaint or petition in the action, no certificate need be filed under this rule.

- (3) The requirements of this rule shall not require mediation or arbitration of a case otherwise exempt from arbitration or mediation requirements by statute, but the parties and attorneys, if any, of any case so exempted shall be required to participate in a judicial settlement conference.
- (4) The court may impose sanctions pursuant to UTCR 1.090 against any party who fails to comply with subsection (2) of this rule, or who;
 - (a) Fails to attend a scheduled mediation session, arbitration hearing or judicial settlement conference;
 - (b) Fails to act in good faith during the mediation, arbitration or judicial settlement conference;
 - (c) Fails to submit on a timely basis paperwork required as a part of the mediation, arbitration or judicial settlement conference; or
 - (d) Fails to have a principal necessary to approve the resolution of the case present or readily available, by telephone or other means, at the time of the mediation, arbitration or judicial settlement conference, unless, in advance, the court grants the party or attorney leave from compliance with this subsection of the rule.
- (5) Nothing in this rule restricts or removes the constitutional right of the parties to a trial.

**7.021 UTCR 7.020 CONTINUANCES; STAY OF DEFAULTED PARTIES
 PENDING TRIAL**

- (1) Continuances pursuant to UTCR 7.020 shall be on a form prescribed by the court. A first request for a continuance must be filed electronically, and any subsequent continuance request must be presented at the Presiding Judge's *ex parte*.
- (2) In multiple party cases, when a default order has been taken against a specific party and the other defendants will proceed to trial, an attorney may move the court to stay the requirement to apply for a judgment by default and avoid dismissal under UTCR 7.020 for the defaulted party, pending the outcome of trial.
- (3) A party wishing to "reinstate" a party or case after entry of a judgment of dismissal under UTCR 7.020 must seek relief from judgment under ORCP 71. The motion for relief from judgment must be supported by an affidavit or declaration establishing the reason(s) justifying relief under ORCP 71 B, and must be served on all parties as provided in ORCP 71 B.

- (a) If the ORCP 71 motion for relief from judgment is uncontested, the moving party may appear at *ex parte*.
- (b) If the ORCP 71 motion for relief from judgment is contested, the moving party must contact the assigned motions judge to schedule a hearing. If a motions judge has not been assigned, the moving party must place the motion on the short matter docket for assignment at Call.
- (c) All fees required by ORS 21.200(1)(d) apply.

7.025 POSTPONEMENT CONFERENCES

- (1) A conference with the Presiding Judge may be required to postpone a civil trial. Parties must confer with each other before setting a conference. The moving party is required to provide notice of the scheduled conference. To set a scheduling conference, please call Presiding Court at [(503) 988-3846]{971-274-0660}.
- (2) Motions to postpone trial in a case that is designated “complex” and is specially assigned to a judge must be presented to that judge.

7.045 MOTION FOR CHANGE OF JUDGE

- (1) If a judge is assigned at Call or at a case assignment or scheduling conference before the Presiding Judge and a party intends to file a motion for a change of the judge assigned, the intention to file the motion must be announced at the time of assignment. An original and one copy of a motion, order, and supporting affidavit must be presented to the Presiding Judge at *ex parte* by the close of business on the next judicial day. Failure to submit all three documents timely, with the copy, will result in sanctions as provided by UTCR 1.090. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified before presentation to the presiding judge and each other party to the action who is not in default.
- (2) For Judges assigned by order of the Presiding Judge where the order did not arise at Call or a case assignment or scheduling conference, the following procedures shall apply:
 - (a) If a party is notified at an *ex parte* appearance of the name of the assigned motion judge and the party intends to disqualify the assigned judge, the party must announce the intent to the Presiding Judge at the time of assignment and present to the Presiding Judge at *ex parte* by the close of the next judicial day an original and one copy of the motion, order and affidavit. Failure to submit all three documents timely, with the copy, will result in sanctions as provided by UTCR 1.090. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified before presentation to the presiding judge and each other party to the action who is not in default.

- (b) In any other situation than set out in subsection (a), if a party intends to disqualify the assigned motion judge, that party must, by the close of the next judicial day after receiving actual notice of the judge assigned, appear at *ex parte* to present an original and one copy of a motion, order, and affidavit. The requesting party is responsible for serving a copy of the motion, affidavit and unsigned order on the judge being disqualified before presentation to the presiding judge and each other party to the action who is not in default.
- (c) If a motion for change of judge under this provision is allowed, the Presiding Judge may assign a replacement judge and announce that assignment at the *ex parte* presentation required under subsections (a) and (b) above. Actual notice of the new assignment must be provided to all appearing parties by the party appearing at *ex parte*. If a new judge is not announced at the *ex parte* proceeding, a written notice of the new assignment will be provided by the court to each appearing party by sending it to the party's electronic or US Postal Service mailing address for purposes of the action.
- (3) If a judge is assigned in any other manner, an original and one copy of a motion order and supporting affidavit, must be presented to the Presiding Judge at *ex parte* by the close of the judicial day following actual notice of the assignment. A copy of the motion, affidavit and unsigned order must be served on the judge being disqualified by the moving party before presentation to the presiding judge and each party to the action who is not in default.
- (4) In small claims, FEDs, violations and misdemeanor offenses, the Presiding Judge may assign a motion for change of judge to another judge for decision.
- (5) For purposes of ORS 14.250 et seq. and this rule, a judge who enters rulings or orders in any arraignment, pre-trial release request at the time of arraignment, Trial Readiness hearing pursuant to SLR 7.015, or daily Call pursuant to SLR 7.055, shall not be considered to have ruled on a particular matter within the meaning of ORS 14.260(3). A party shall not waive any right pursuant to ORS 14.250 et seq. as to such judge by failing to move for change of judge at the time of appearance before such judge at any proceeding listed in this paragraph.

7.055 CALL

Call for Civil and Criminal cases; Family Law, Probate, and Juvenile, Small Claims and FED Dockets Kept Separate

- (3) Except for cases set to follow, and cases assigned in multiple assignment groups, the Presiding Judge will announce the day and hour that the trial will begin.

Cases set to follow

 - (b) If an attorney on a standby case announces to the clerk an inability to go to trial when assignment is made, the case will either be placed on Call the following judicial day or postponed, at the discretion of the Presiding Judge.

Carried Cases

- (6) For good cause shown, a case may be carried to the Call docket for the following judicial day.

Abated and Stayed Cases

- (7) For good cause shown, the Presiding Judge may abate any case upon motion of counsel or upon motion of the court. (See Motion for Severance and Order Re Motion for Severance, Forms Appendix,)
 - (a) Unless prohibited by law, an abated case may be dismissed, without prejudice, for want of prosecution following notice by the court of intent to dismiss pursuant to ORCP 54B(3) two years from the date of the abatement order if the case has not been removed from abated status or dismissed at an earlier time. A case may be removed from abated status upon motion of counsel or on the court's own motion.

- (b) No abated case shall be placed on the trial docket, or be subject to court arbitration or mediation, or have any motion practice conducted during the period of abatement. Parties may by mutual consent proceed with discovery during the period of abatement or inactive status.
- (c) A case will be stayed, rather than abated as provided in this section, by a notice of bankruptcy.
- (d) Once a case is reinstated to the active trial docket, the case will be assigned a trial date within 30 days. (See Motion for Reinstatement and Order Re Motion for Reinstatement, Forms Appendix.)

- (8) The attorney of record on a case shall be present at Call, except that:
 - (a) The attorney may appear via a substitute counsel; or
 - (b) The attorney may report unconditionally ready in a civil case by telephone to the Call clerk by 4:45 pm on the judicial day immediately preceding the date of Call. A telephoned report as allowed under this section shall constitute a waiver of the right to file a motion for change of judge as to any judge assigned to hear the matter and of the right to object to another party's request made at the time of Call that the matter be postponed.
 - (c) If an attorney is not present at Call, does not otherwise report to the court ready on the case, or the Presiding Judge deems the report inadequate or misleading, the Presiding Judge may direct:
 - (i) In civil cases, the entry of a Judgment of Dismissal, following notice by the court of intent to dismiss pursuant to ORCP 54B(3), without prejudice, for want of prosecution, an Order of Default, or such other order as may be appropriate under the circumstances including the imposition of sanctions under UTCR 1.090 and jury expenses under UTCR 6.020; or

Multiple Case Assignment

- (9) Cases on the Call calendar may be assigned in multiple case groups.

- (12) An attorney may advise the Presiding Judge in open court at the time a case is to be assigned that a particular judge has previously ruled upon some aspect of the case, or has tried a companion case, and therefore is familiar with the issues of the case.

Improper Influencing of Case Assignment

- (13) Except as provided in 7.055(12), no attorney, party, or other person may directly or indirectly attempt to influence the Presiding Judge or court staff to assign a case to any particular judge, or to avoid assignment of a case to any particular judge.

- (14) Six weeks in advance of trial, for trials expected to last five days or longer or where the parties are requesting to conduct trial on one or more Fridays, plaintiff must send or deliver a letter to the Calendaring Secretary, c/o the Presiding Judge, requesting early assignment to a trial judge. The letter must state: the date trial is scheduled to begin; the estimated length of the trial; that parties have conferred as to the estimated length of the trial; the names of the trial attorneys; whether the parties are requesting to conduct trial on one or more Fridays; and the name(s) of the Motion Judge and any other judge that has heard matters related to the case.

7.056 DISPOSITION OF CASE AFTER ASSIGNMENT TO TRIAL JUDGE, MOTION TO POSTPONE CASE ASSIGNED AT CALL MUST BE PRESENTED TO PRESIDING JUDGE

Once a case is assigned for trial, including as a case set to follow, all matters affecting the trial, except any request to delay the assignment date for trial, are to be presented to the trial judge. The immediate unavailability of the trial judge is not grounds, absent an emergency, to present a matter to the Presiding Judge or any other judge. Requests for a delay of the trial date assigned by the Presiding Judge at Call must be presented to the Presiding Judge only, and shall not be made to the judge assigned for the trial of the action.

7.061**REQUESTS FOR ACCOMODATIONS BY PERSONS WITH
DISABILITIES**

- (1) Process for requesting accommodations
 - (a) Who may request. Accommodations may be requested from any lawyer, party, witness, juror, person with an interest in attending any proceeding open to the public or other person seeking to use the services, programs, or materials provided by this judicial district.
 - (b) Form of Request. Requests for accommodation under this rule may be presented *ex parte* on the form designated by court administration for such requests, in another written format such as e-mail to the court's ADA Coordinator, or orally to any court personnel. In all cases, however, the request shall be documented in writing and forwarded to the ADA coordinator or designee within the time frame provided in (1)(d) of this rule.
 - (c) Content of Request. Requests for accommodations must contain the information required by UTCR 7.060(2). These requirements may be met by using the court's accommodation request form, available from any of the court's public service counters, from the trial court administration office, or the court's website. Medical and other health information submitted in support of the accommodation request, if any, shall be submitted under the cover sheet accompanying the request form designated "SEALED MEDICAL AND HEALTH INFORMATION." Such information shall be accessible only to the court and the person requesting accommodation unless disclosure is otherwise expressly ordered or required by law.
 - (d) Timing of request. Pursuant to UTCR 7.060, requests for accommodation must be made as far in advance as possible, but no fewer than 4 judicial days before the requested implementation date. The court may, in its discretion, waive this requirement.
 - (e) Informal practices encouraged. Where the need for accommodation is obvious and the accommodation can be easily implemented, informal practices for responding to and implementing the accommodation are permitted and encouraged. However, informal practices shall not be utilized if an accommodation request would impact court procedures within a specific case, as described in (2)(a) below.
 - (f) Court-Appointed Counsel. Requests for court-appointed counsel as an accommodation must be presented to the Presiding Judge at *ex parte*, held daily. The court shall undertake an inquiry, on the record, with regard to the items below. Denials shall comply with (2)(c) of this rule.

- (i) The existence and nature of the requestor’s disability, and the extent to which it substantially limits the ability of the requestor to fully participate in the proceedings of the case (including competency to testify on their own behalf), as compared with the typical non-disabled *pro se* litigant.
 - (ii) The existence and practicality of other potential accommodations that would afford the requestor an equal opportunity to participate, including but not limited to: lay assistance from a third party such as a friend or family member; auxiliary aides and services; and reasonable modifications to the proceedings.
 - (iii) The nature of the underlying case, including the complexity of the legal issues and the nature and expected duration of proceedings, and whether appointment of counsel at public expense would create undue financial or administrative burdens on the court.
- (2) Consideration, determination, and responses to requests
- (a) Administrative versus judicial consideration. The ADA Coordinator shall not administratively grant accommodation requests that impact court procedures within a specific case. Examples include requests for an extension of time, a set-over, or a continuance; changes of venue; and telephonic or videoconference appearances. Such requests shall be forwarded by the ADA coordinator in writing to the judicial officer handling the case for consideration and determination. In all cases, however, a denial of an accommodation request in whole or in part shall comply with (2)(c) of this rule and shall be in writing.
 - (b) Response. The court shall promptly inform the requestor of the determination to grant or deny an accommodation request. If the accommodation request is denied, in whole or in part, the response shall be in writing. On request the court shall provide an additional response in an alternative format. The response to the applicant must indicate:
 - (i) Whether the request for accommodation is granted or denied, in whole or in part. If denied, the response shall also include a description of an alternative accommodation that does not implicate any of the bases for denial under (2)(c) of this rule;
 - (ii) If the request for accommodation is denied, in whole or in part, the reason therefor;
 - (iii) The nature of the accommodation(s) to be provided;
 - (iv) The duration of the accommodation(s) to be provided; and

- (v) If the response is in writing, the date the response was delivered in person or sent to the applicant.
- (c) Denial of request. A request for accommodation may be denied only when it is determined that one or more of the following apply:
- (i) The requestor has failed to satisfy the substantive requirements of this rule;
 - (ii) The court is unable to provide the requested accommodation on the date of the proceeding and the proceeding cannot be continued without significant prejudice to a party;
 - (iii) Permitting the requestor to participate in the proceedings with the requested accommodation would create a direct threat to the safety or well-being of the requestor or other participants;
 - (iv) The requested accommodation would create an undue financial or administrative burden for the court or would fundamentally alter the nature of the court service, program or activity under (1) or (2):
 1. An accommodation may be denied based on a fundamental alteration or undue burden only after considering all resources available for the funding and operation of the service, program or activity, and shall be accompanied by a written statement of the reasons for reaching that conclusion.
 2. If a fundamental alteration or undue burden would result from fulfilling the request, the court shall nevertheless ensure that, to the maximum extent possible using alternative accommodations, individuals with disabilities receive the benefits or services provided by the court.
- (3) Handling of confidential medical information. The court shall keep confidential all information of the requestor concerning the request for accommodation, unless confidentiality is waived in writing by the requestor or disclosure is required by law or order of the court. The requestor's identity and confidential information may not be disclosed to the public or to persons other than those involved in the accommodation process. Confidential information includes all medical information pertaining to the requestor, and all oral or written communication from the requestor concerning the request for accommodation.

This rule applies to petitions, writs, motions, affidavits, proposed orders, judgments, and any other document regarding the matter. *[The Civil Section is located in Room 210 of the Multnomah County Courthouse.]*
- (2) If the petition for the writ of habeas corpus arises from an underlying case in this circuit court, the identity of that case, the caption, and the circuit court’s case number must be set out in the first allegation of the petition. For purposes of this rule, an extradition action pending within the jurisdiction of the circuit court is a “case”.

7.206 POST-CONVICTION RELIEF --- FILING OF DOCUMENTS WHEN PETITIONER IS REPRESENTED BY COUNSEL

- (1) Counsel's written notification to the court that the case will proceed on the original petition constitutes counsel's ORCP 17 C certifications of the original petition filed by the then self-represented petitioner.
- (2) All matters delivered to the court for filing shall be submitted only by counsel and, except for the petition or amended petition and any exhibits, signed exclusively by counsel. The only exception to this requirement is for a *Church v. Gladden*, 224 Or 308, 417 P 2d 933 (1966), notice filed by the petitioner.

7.207 POST-CONVICTION RELIEF --- HEARINGS ON MOTIONS AND DEMURRERS

- (2) If the court grants oral arguments for a motion or demurrer and the petitioner is in custody, the petitioner, if represented by counsel, will not be brought before the court in person, by video or by telephone, unless counsel for the petitioner notifies the court not less than 10 days before the hearing that the issues to be heard involve more than solely issues of law.

The petitioner shall remain in and appear from the correctional facility in which the petitioner is being held.
- (3) Counsel may appear by video conference, by telephone conference, or in person before the trial judge. Counsel for the petitioner may appear apart from the petitioner only if the facility where counsel is located enables the petitioner to consult privately with the petitioner's counsel during the proceeding.
- (4) Public access and viewing of proceedings shall be provided at the East County Courthouse, and the proceedings shall be deemed to take place at that location. Unless otherwise ordered by the court, all witnesses, except original counsel and law enforcement officers, shall appear at that location.
- (5) Trials are scheduled for 30 minutes and without expectation of live witness testimony other than the petitioner. If the trial of the matter will take longer than the standard 30 minute setting or any other time allotted in the trial notice, or if witnesses other than the petitioner will be called, a party seeking additional time must file a motion requesting the additional trial time. The assigned judge will initiate communication regarding procedures under ORS 109.731 where required.

8.012 DOCKETING

CASES ARE DOCKETED DIRECTLY WITH THE RETAINED JUDGE, OR AS FOLLOWS:

- (1) Assignment of trials and motions shall be handled by the Chief Family Law Judge or designee.
- (2) All contested matters not set before the Judge of the Case as described in SLR 8.015(4) or specially set under 8.015(2) shall be scheduled either on the Trial Assignment Docket or the Rotation Docket of the Family Court.
 - (a) The Trial Assignment Docket consists of all matters scheduled for judicial hearing that have not been retained for hearing by the judge of the case, specially assigned to an individual judge by the Chief Family Law Judge, or set on the Family Law Rotation Docket. The Domestic Relations Department places cases on this docket when the pleadings indicate the case is at issue. Parties requesting judicial time for Order to Show Cause matters may contact the Domestic Relations Department to obtain available dates. Procedures for the Trial Assignment Docket are set out in SLR 8.015.
 - (b) The Family Law Rotation Docket consists of multiple matters set for the same start time and expected to last only 30 minutes or less each.

- (i) When an individual matter set on the Rotation Docket is expected to last more than 30 minutes, a party shall request that the case be transferred to the Trial Assignment Docket, after notice to the other party. This transfer will be granted but the case will be placed on the Trial Assignment Docket for hearing the same day as the matter would have been heard on the Rotation Docket, unless the parties agree otherwise. The party requesting the transfer must provide written notice of Trial Assignment Docket procedures to the other party and certify this action in writing.
- (3) Matters on the Trial Assignment Docket may be reset twice by agreement of all parties through the Domestic Relations Department. Set-over requests of motions assigned to the Judge of the Case shall be heard by that Judge or the Judge's designee.
- (4) Motions to postpone docketed hearings on abuse prevention restraining orders must be in writing and presented to a Family Law Judge. If the motion to reset is made at *ex parte* time, the party requesting the re-set must comply with SLR 8.041(3). Subsection (2) of this rule applies to requests to transfer an abuse prevention restraining order case from the Rotation Docket to the Trial Assignment Docket.
- (5) Unless stipulated, the following motions must be accompanied by a proposed Order to Show Cause that contains a scheduled date on the Trial Assignment docket or with the Retained Judge, if one exists, and sets out a notice in substantially the following form: "If you disagree with the request(s) made and fail to appear in person at this time, you will very likely lose your chance to present your side of the issue(s)":

- (6) Orders to Show Cause for motions to modify judgments shall comply with UTCR 8.050(1). If a response is filed, the Domestic Relations Department will set the motion on the Trial Assignment Docket. If the motion to modify a judgment is filed on a case that has been retained by a specific judge, the judge's staff will set the motion to modify the judgment for hearing and will notify the parties of the date and

time of the event. All scheduling issues must be submitted to the judge who retained the case.

- (3) Consolidated Cases: The case caption for any case that has been consolidated with one or more other matters shall contain as the first or only caption the parties' names, status, and case number applicable to the particular case in which the filing is to be done. When a document reflects more than one case caption and case number, any caption and case number following the first caption and case number must contain the reference "Related Case." Filing in the primary case does not constitute filing in any related cases.

8.014 CASE ASSIGNMENT

Case Assignment for Family Law from the Trial Assignment Docket

- (1) In all cases set on the Trial Assignment Docket, the parties must report in person at the designated courtroom at 9:00 a.m. one judicial day prior to the date of the hearing or trial. The parties shall report at that time the settlement or the time needed for hearing or trial of the case. A party may report information for another party only with the agreement of both parties. Except for motions to compel, telephone testimony, or other urgent matters approved by the court, a case will not be given two dates on the Trial Assignment docket within a 30 day period.
- (2) Upon determining that a case will require one (1) or more days of judicial time, i.e., six (6) or more hours of court time, a party shall file a motion for special set for assignment of the case to an individual judge. The motion shall be submitted as early as possible but in any case, not fewer than fourteen (14) days in advance of Trial Assignment unless good cause for delay is shown. If a special set is granted, the court will cancel all currently scheduled hearings or trials and all further matters shall be scheduled directly by the parties with the assigned judge, who shall be the retained judge of the case thereafter.

- (3) Any party appearing before the Chief Family Law Judge or designee for purposes of assignment must advise that Judge that a particular judge has previously ruled on some contested aspect of the case.
- (4) Once a case is assigned to a Family Law Judge and the matter is heard for one hour duration or more, that Judge becomes the Judge of the Case. All future hearings will be specially set with that Judge's staff. Once a Response is filed, the setting of trials in dissolution cases, etc. will be effected by the parties through the Judge of the Case's Judicial Assistant.
- (5) No attorney, party, or other person may directly or indirectly attempt to influence the Chief Family Law Judge or designee or court staff to assign a case to any particular judge, or to avoid assignment of a case to any particular judge.
- (6) When assignment to a specific judicial officer is made at the time of Trial Assignment, a party desiring a change of judge must inform the judge presiding at Trial Assignment that a Motion to Change Judge will be filed. All provisions of SLR 7.045 apply in family law matters. The original motion, affidavit, and proposed order shall be submitted conventionally (in paper) to the Chief Family Law Judge (or in that Judge's absence, to that Judge's designee) by the close of business on the judicial day following notice of the assignment. The moving party shall include with that submission a certificate of service documenting that service of the motion, affidavit, and proposed order has been effected on the other parties and a copy of those documents delivered to the Judge who is the subject of the motion. **{A new judge will not be designated/assigned until the Chief Family Law Judge has approved and signed the proposed order.}**

8.015 SCHEDULING FOREIGN LANGUAGE INTERPRETERS UNDER UTCR 7.070

- (1) For purposes of complying with UTCR 7.070, if a foreign language interpreter is needed, the party in need of an interpreter, prior to each proceeding in the action in which an interpreter is needed, must contact the Court Language Access Services Office in Multnomah County as provided in UTCR 7.070. 8.016 CASE AGE LIMITATIONS

- (2) If no appearance or motion is made or a default judgment has not been entered by the 180th day, the case will be dismissed for want of prosecution by the Chief Family Law Judge or designee. This dismissal shall be final unless the Chief Family Law Judge or designee, for good cause shown, orders otherwise.
- (3) Upon application to the Chief Family Law Judge or designee by motion and in person at *ex parte*, good cause is shown, the Chief Family Law Judge or designee may extend the dismissal date.
- (4) Cases and motions at issue shall proceed to trial within eight months of the date of filing. Postponement requests shall be made to the Chief Family Law Judge or designee, or to the Judge of the Case when one exists.
- (5) Hearings contesting Emergency Temporary Custody Orders shall be set with the Judge who signed that Emergency Temporary Custody Order. A copy of the request for hearing on that order shall be provided to the Judge who signed the original order.

8.017 EX PARTE APPEARANCES AND OTHER MATTERS NOT DOCKETED FOR HEARING

- (1) Matters Heard *Ex parte*

No matter shall be heard *ex parte* (i.e., without notice to the other side) unless specifically authorized by Oregon statute or court rule. Any motion presented without notice to the other party shall comply with UTCR 5.060 (2) (contain the words “*ex parte*” in the caption) and shall also cite the specific statute or rule that allows the motion to be presented without notice.

- (2) Matters Heard at *Ex parte* Time

At least one Family Court Judge is available twice daily (at 8:30 a.m. and 1:30 p.m.) to hear permissible *ex parte* matters and potentially contested emergency and scheduling motions. The assignment of those judges is posted daily in Room 211. On retained cases, parties should contact the Judge of a Case regarding that Judge’s availability.

(3) Notice Requirements on *Ex parte*, Emergency, or Scheduling Motions

Except where a statute or rule explicitly allows an appearance without notice to the other party, a party seeking relief at scheduled or specially-arranged *ex parte* times must provide two (2) working days notice to the opposing party of the date, time, and court where the relief will be sought. The party seeking relief at *ex parte* time must provide written certification of the date, time, and manner in which the opposing party was provided notice of the planned appearance as well as the opposing party's position on the matter to be presented (for example, "Agrees," "Disagrees," or other short explanation).

Requests for pre-judgment relief under ORS 107.097(2) may be submitted to the court on an *ex parte* basis and conventionally filed (in paper) under SLR 2.501 prior to service of the initiating pleading on the other parties. Once service of the initiating pleading in the case has occurred, a party seeking relief at scheduled or specially-arranged *ex parte* times must provide two (2) working days notice to the opposing party of the date, time, and court where the relief will be sought. The party seeking relief at *ex parte* time must provide written certification of the date, time, and manner in which the opposing party was provided notice of the planned appearance as well as the opposing party's position on the matter to be presented (for example, "Agrees," "Disagrees," or other short explanation).

The judge hearing the motion may require the moving party to submit the documents to the court for in camera review."

8.021 IN CAMERA REVIEWS

- (1) Parties in a domestic relations case seeking an *in camera* review of documents shall file a motion describing the records to be reviewed, the information the party seeks to obtain from the records, the relevance of information sought to the particular issues in the case, and the authority for the *in camera* review.
- (2) If motion is stipulated, it will be placed on Trial Assignment for the Judge to review. Parties need not appear at this trial assignment setting.
- (3) The motion will be placed on the Trial Assignment Docket to be assigned for hearing. If the motion is stipulated, the parties will report to the Family Law Clerks that fact and the estimated amount of time needed for the review when the case is assigned. The Judge receiving the assignment from the Trial Assignment Docket will conduct the *in camera* review if the motion is granted or stipulated. If the case has an assigned Judge of the Case, the party requesting the review must contact that trial department to schedule a hearing on the motion. The Judge of the Case will make arrangements for another judicial officer to conduct the review, if the motion for review is granted.

However, except when a criminal no-contact order is in effect, mediation or other dispute resolution process may occur at the request of the protected person as long as the circumstances of that process do not violate the terms of the protection order;
- (b) Any matter involving minor children for which there is a pending Juvenile Court matter involving those children, or children of whom the Department of Human Services has been granted temporary or permanent custody or wardship;
- (c) Orders of Assistance;

If the certificate has not been filed (or the process waived) on an issue scheduled for hearing or trial, the parties will be deemed not ready and the matter shall not proceed to hearing. 8.034 MULTNOMAH COUNTY PARENTING PLAN GUIDELINES

- (1) Oregon law requires that judgments addressing parenting time contain a parenting plan that considers only the best interests of the child and the safety of the parties. The Fourth Judicial District expects that parenting time plans will meet the individual needs and circumstances of children and their families by taking into consideration the following basic parenting principles:
 - (a) It is usually in a child's best interest to have frequent, meaningful and continuing contact with each parent. It is assumed that each parent nurtures his or her child in important ways which are significant to the development and well-being of the child;
 - (b) Each child and family is unique. In order to meet the individual needs of the child(ren) the parties shall consider the following:
 - (i) The developmental stage(s) and any special needs of their child(ren);

- (ii) The child(ren)'s school and activity schedules, and;
 - (iii) Practical factors such as the distance between households, the number of transitions for the child(ren), and any other relevant practical considerations.
- (c) A safety focused parenting plan, which may restrict parenting time, shall be considered whenever the family has been experiencing domestic violence, child abuse, serious mental illness, or significant substance abuse issues.

8.035 SUPERVISED PARENTING TIME

For Domestic Relations and Family Abuse Prevention Act cases in which the court imposes the requirement of supervised parenting time, the parties to the case and the supervisor must comply with the following:

- (1) The supervisor is required to explain the rules for supervised parenting time to the parent who is supervised, unless the supervisor knows that the parent was previously informed. This must include an explanation of supervised parenting time rules set forth in any court order or judgment in the case, and any other rules that are necessary due to unique conditions at the designated location or other circumstances that may reasonably impact a successful parenting time experience, as identified by the Judge, the supervisor, or the involved agency;
- (2) The custodial parent is not allowed to be present or to impose additional rules or to make additional demands concerning supervised parenting time;
- (3) Only if accompanied by the supervisor and with the supervisor's express consent, may the supervised parent and children leave the designated location for the supervised parenting time;
- (4) The supervised parent shall not engage in conversation that exposes the child to adult issues in the case. The supervisor is required to immediately address any problem with the supervised parent if this rule is violated. If the supervised parent does not comply, parenting time on that particular date shall be terminated;
- (5) Physical discipline of the child during supervised parenting time is prohibited;
- (6) The supervisor is required to keep the supervised parent within view and within hearing range for the duration of the supervised parenting time;
- (7) The purpose of supervised parenting time is to allow interaction with the child for the benefit of the child. Therefore, the supervised parent is prohibited from initiating or engaging in conversation during supervised parenting time which does not further this objective. The supervisor's role is to prevent the child's exposure to adult issues in the case and to discourage any inappropriate communication.

8.036 APPOINTMENT OF COUNSEL FOR CHILDREN

The court may appoint counsel for children in cases arising under ORS Chapter 107 upon its own motion or upon motion of either party pursuant to ORS 107.425(3), and shall appoint counsel if requested to do so by one or more of the children. A reasonable fee may be imposed by the court against either or both of the parties or as a cost in the proceedings.

- (3) Orders appointing counsel issued by the court may contain provision for payment of attorney fees and terms for payment. No appointment order will be issued until counsel has agreed to accept such appointment upon the fee terms set forth.
- (4) To the extent possible, appointed counsel will represent their clients' legal interests in obtaining a secure, stable home life and a balanced relationship with both parents and will be answerable only to their client and to the court. The parents or persons having physical custody of the child shall cooperate in allowing counsel opportunity for private consultation with the child or children, including making or assisting with arrangements for the children's transportation to the attorneys' office or some other reasonable meeting place and reasonable phone communication if needed.
- (5) Counsel to be appointed for children shall meet the court's standards for qualification in family law matters and in the resolution of custody/parenting time issues.

In these cases, the class must be completed prior to entry of judgment unless the court orders an earlier completion date.  - (c) Parties who have successfully completed the parent education program in this county within the last seven years are not required to repeat this program in order to seek modification of the judgment or to pursue relief in a different case. Parties in this situation, however, must file a certificate in the later proceeding informing the court that the requirement was completed at an earlier time and specifying that date and case number.
- (3) Notice and instructions to the moving party of this requirement will be provided by the Trial Court Administrator at the time the initial pleadings are filed.  - (b) If good cause is found, the court may require the party excused to view video materials having the same or similar information.
 - (c) The fact that one party is relieved from the requirements of this rule, does not form a basis for excusing the other party.
- (7) Court action in these cases shall not be delayed by a party's refusal, failure or delay in registering for or completing this program or the failure to comply with this rule, unless the noncomplying party is the moving party. Upon the moving party's noncompliance, the court may take appropriate action including but not limited to deeming the matter not ready for hearing, denying the relief sought by that party, or proceedings for contempt.

11.015 JUVENILE COURT MATTERS

- (1) Juvenile court hearings. The Chief Family Law Judge or designee shall have responsibility over juvenile matters. Hearings will be scheduled at the Juvenile Justice Complex, 1401 NE 68th Avenue, Portland, Oregon, unless otherwise ordered by the court.
- (2) *Ex parte*. *Ex parte* matters in the Juvenile Department will be heard each day after Call/assignment at 8:30 am and at 1:30 pm, and at additional times as designated.
- (3) Initial Shelter Hearings. Shelter hearings on delinquency cases will be heard each day at 1:00 PM. Shelter hearings on dependency cases will be heard each day at 2:30 PM.
- (4) Rehearings. Requests for rehearing of a referee's decision shall be filed within 10 days of entry of the referee's ruling. The Juvenile Court Clerk's Office will place the matter on the Call docket three (3) business days after the date of the request. The parties shall take reasonable efforts to confer about a workable hearing date prior to this Call appearance. Nothing in this section prohibits a judge from granting an immediate rehearing within his or her discretion once a party files and serves a rehearing request.

11.017 PETITION NUMBER AND JJIS NUMBER REQUIRED

Documents submitted for filing and entry in the register in an action in the Juvenile Court must contain, in the caption of the document, the petition number and the Circuit Court case number(s) assigned to the action in which the document is to be entered and the Juvenile Justice Information System (JJIS) number assigned to the child by the Department of Community Justice's Juvenile Services Division or its successor agency.

11.035 REFEREES

Juvenile Court Referees, appointed by the court, may conduct hearings in any Juvenile Court cases, except that only a judge shall conduct the following hearings:

- (1) A hearing to waive a youth to adult court;
- (2) Any trial on a petition seeking the termination of parental rights;
- (3) Unless otherwise stipulated by the parties, a contested hearing on a petition alleging an act, which if done by an adult would constitute a Class A or Class B felony, or any degree of homicide; and
- (4) Other matters upon good cause shown.

11.037 MOTION FOR A JUDGE, MOTION FOR CHANGE OF JUDGE

(1) Motion for a Judge

If a case is one that may be assigned to a referee for hearing, a motion, supported by an affidavit, may be filed to request that the case be assigned to a judge for hearing. The affidavit must allege with specificity the special circumstances supporting the request. The motion, with the supporting affidavit, must be submitted to the Chief Family Law Judge or designee as a conventional (paper) filing prior to the assignment of the case to a referee for hearing.

(2) Motion for Change of Judge

A party intending to file a motion for a change of the judge assigned must announce this intent at the time of assignment or at the time the party receives notice of the assignment. The original motion, affidavit, and proposed order shall be submitted conventionally (in paper) to the Juvenile Clerk's Office by the close of business on the judicial day following notice of the assignment. The Clerk's Office staff will send the filing to the Chief Family Law Judge or that Judge's designee. The moving party shall include with that submission a certificate of service documenting that service of the motion, affidavit, and proposed order has been effected on the other parties and a copy of those documents delivered to the Judge who is the subject of the motion. Failure to comply with these requirements may result in sanctions as provided by UTCR 1.090.

11.041 IDENTIFICATION OF JUDGE IN CAPTION

The case caption for any juvenile matter for which there is a Judge of the Case shall include in parentheses the name of that judge.

11.044 TRANSPORT OF PARTY OR WITNESS FROM OREGON DEPARTMENT OF CORRECTIONS

Transport orders for a party or witness held in an Oregon Department of Corrections facility must be presented for signature and filed ten days prior to the scheduled hearing.

11.045 GENERAL PROCEDURES FOR SCHEDULING HEARINGS FOR JUVENILE CASES

- (1) Delinquency cases.** When a petition is filed on a delinquency case, the Juvenile Court Clerk's Office shall schedule hearings required by statute, as well as Plea, Trial Readiness and Call dates as follows:
 - (a) Plea.** If the youth is in custody, a plea hearing will be set for Call seven (7) calendar days from the preliminary hearing.
 - (b) Ten Day Review.** In custody youth will be scheduled for a ten (10) day review hearing every ten (10) court business days that they are held in custody. This

hearing shall be set on the preliminary hearing docket. Scheduling of these hearings shall be coordinated by the staff of the Juvenile Services Division.

- (c) Trial Readiness. Trial Readiness is heard at Call. Attorneys shall report whether they are ready to proceed to trial. If attorneys are not ready to proceed to trial, a new trial readiness date will be set. Substantial cause is needed to set a Trial Readiness date more than 60 days past the date the petition was filed. If attorneys are ready to proceed to trial, a Call date will be set.
 - (i) *In custody youth*: Trial Readiness date is set 2 weeks from the preliminary hearing.
 - (ii) *Out of custody youth*: Trial Readiness date is set 5 weeks from the preliminary hearing.
 - (iii) *Community Detention youth*: Trial Readiness date is set 4 weeks from the preliminary hearing.
 - (d) Call. At the Call proceeding, the case will be assigned to a judicial officer for trial the next court day. A party needing a setover shall request the setover three (3) days before the Call date. Only in emergency situations will a setover be granted at Call.
- (2) Dependency cases. When a petition is filed in a dependency case, the Juvenile Court Clerk's Office schedules hearings required by statute, as well as other hearings and conferences. All reviews in a dependency case will be heard by the judge of the case.
- (a) Second Shelter Hearing. A second shelter hearing may be set after the initial shelter hearing. The shelter hearing is set by the judicial officer during the initial shelter hearing, or at a later time within the judicial officer's discretion.
 - (b) Pre-trial conference/settlement conference. A pre-trial/settlement conference shall be set approximately 35 days from the initial shelter hearing. The pre-trial conference is set for 30 minutes before the settlement conference begins, but is not scheduled on a judicial officer's docket. If the case is not settled at the pre-trial/settlement conference, the case may be scheduled for call and trial, or for another pre-trial/settlement conference. Call, trial, and subsequent pre-trial/settlement conference dates are scheduled by the judicial officer in court.
 - (c) Call. At the Call proceeding, the case will be assigned to a judicial officer for trial on the following week.
- (3) Private Dependency Petitions. When a private petition is filed in a dependency case, the Juvenile Court Clerk's Office schedules hearings required by statute, as well as other hearings and conferences. All reviews in a dependency case will be heard by the judge/referee of the case.

- (a) When a private petition is filed, that moving party shall notify the Juvenile Court Clerk's office to schedule the preliminary hearing.
 - (b) The party filing a private petition is responsible for providing the discovery to the court and other parties in the in case.
 - (c) The party filing a private petition is responsible for ensuring that service of the petition and summons is effected on the parties.
- (4) Termination of parental rights cases
- (a) The initial hearing on a petition to terminate parental rights shall be pursuant to an Order to Show Cause. The initial appearance date shall be set by the Juvenile Court Clerk's office. At the time of the Initial Appearance hearing, if the parents appear and contest the petition, the matter shall be set for a Best Interest/pre-trial conference, call and trial.
 - (b) The Best Interest/pre-trial conference shall be set before the judicial officer assigned to the case (not the trial judge), to seek possible means for resolving pre-trial issues.
 - (c) The parties and their attorneys are required to attend the Best Interest/pretrial conference, and call, unless they are excused, in writing, by the court.
- (5) Petitions for judicial determination. Petitions for judicial determination are filed by the Department of Human Services with the Juvenile Court Clerk's Office. The Clerk's Office schedules an initial review and assigns a judicial officer as judge/referee of the case. All subsequent hearings shall be set by the judge of the case either upon the court's own motion, upon motion of the child(ren) or parent(s), or, if requested, by the Department of Human Services pursuant to ORS 418.312.
- (6) Motions or other specially set matters. Any motion or other matter for which oral argument is requested must include in the caption of the motion that request ("Oral Argument Requested") and, if the matter is a dependency case, the next scheduled hearing date (Next Scheduled Hearing Date: _____).
- (a) Dependency case: If the requesting party believes that the time allotted for the next hearing is not sufficient to accommodate argument on the motion, the requesting party shall contact the staff of the Judge/Referee of the case to schedule additional hearing time after consulting with the other parties on their availability. The date and time of the additional hearing time shall be included in the caption of the Motion that is served on the parties ("Motion Scheduled for _____"). Alternatively, the Judge/Referee of the Case, on his or her receipt of the motion, may conclude that the next scheduled hearing date is insufficient to accommodate argument of the motion. In this situation, the staff of that Judge/Referee will notify the moving party of that party's obligation to coordinate scheduling of a motion hearing and serve notice of that hearing.

- (b) Delinquency case: If there is a Judge/Referee of the Case, the requesting party shall contact the staff of that judicial officer regarding scheduling (and whether the Judge/Referee of the Case should hear the motion) and include in the caption of the motion that is served on the parties the date and time of the motion hearing (“Motion Scheduled for _____”). If there is no Judge/Referee of the Case (or if the Judge/Referee of the Case so directs the requesting party), the requesting party shall coordinate with the parties on scheduling of a motion hearing and contact the Juvenile Clerk’s office to place the matter on the Call docket for hearing.
- (7) Unless stipulated, or compelling cause is found, motions to terminate wardship in a dependency matter shall be filed and served at least 14 days before hearing on the motion.

11.046 PROPOSED ORDERS AND JUDGMENTS

UTCR 5.100 applies to dependency matters under this chapter.

11.047 REQUIRED CLASS FOR GUARDIANS IN DEPENDENCY CASES

All persons anticipating appointment as a guardian for a child or ward under the dependency jurisdiction of the court must successfully complete an education class utilizing a curriculum prescribed by the Presiding Judge of Multnomah County prior to an Order of Guardianship being entered by the Juvenile Court. The court approving a plan of guardianship will provide to the potential guardian, or to DHS if the guardian is not present or identified at that permanency hearing, notice and instructions of this requirement. Fees for this class are subsidized by DHS and not paid by the potential guardian. The potential guardian shall provide to DHS a certificate of completion of this class, which certificate DHS shall file with the court as part of the DHS court report. The court may defer or waive the requirement to complete the class when necessary to avoid delaying permanency for a child or for other compelling reason.

11.065 MOTIONS FOR SUBSTITUTION OF COUNSEL

Motions for substitution of counsel due to conflicts in the attorney-client relationship must be heard by the judge of the case. If no judge of the case exists, the request for attorney substitution may be heard by any judicial officer. The motion must show the date of the next scheduled appearance, and must be accompanied by: the most recent name, address, and phone number of the client; a copy of the petition; any police reports; and all discovery material received.

11.066 IN CAMERA REVIEWS

- (1) Parties seeking an *in camera* review of documents in a juvenile dependency or delinquency case shall file a motion with the court clerk in the Juvenile Court Clerk’s Office describing the records to be reviewed, the information the party seeks to obtain from the records, and the legal authority for the *in camera* review. Documents submitted for *in camera* review shall also be directed to that location.

- (2) Motions for *in camera* review of documents in juvenile dependency or delinquency cases shall be set on the Call docket to be set for a hearing unless there is a judge of the case, in which case the motion will be scheduled on that judge's calendar. Motions for in camera review of documents in a juvenile dependency or delinquency case shall be directed by court staff to the judge of the case for scheduling of a hearing on the motion.

11.067 NOTICE OF SCHEDULING OR RE-SCHEDULING OF A CRITICAL STAGE HEARING IN CASES SUBJECT TO UTCR 4.100 TO 4.110

**CHAPTER 12
MEDIATION**

12.016 SEE SLR 8.037 FOR THE MANDATORY PARENT EDUCATION PROGRAM

12.022 COURT-CONNECTED MEDIATOR LISTS ESTABLISHED

The court will maintain lists of mediators who have met the qualifications established in the Oregon Judicial Department Court-Connected Mediator Qualifications Rules, adopted by CJO 05-028. Separate lists shall be maintained for general civil mediators, domestic relations custody and parenting mediators, domestic relations financial mediators, and probate mediators. The lists of mediators will be published on the Circuit Court's web site at <https://www.courts.oregon.gov/courts/Multnomah>

12.023 APPOINTMENT TO COURT-CONNECTED MEDIATOR LIST

- (1) A mediator seeking inclusion on one or more lists must sign and file an application provided by the court for inclusion on the list of court-connected mediators. The Presiding Judge or the Presiding Judge's designee may require substantiation of any information submitted on the application. The Presiding Judge or the Presiding Judge's designee may contact any program or individual referenced in the application or any other resource necessary to make a determination whether to approve a mediator.
- (2) The Presiding Judge or designee shall review each application and make a determination to approve or reject an applicant as a court-connected mediator.
- (3) Appointments to any list shall be at the discretion of the Presiding Judge or designee. Approved mediators shall be required to provide updated applications every two years.

Inclusion on the list shall in no way establish any requirements for compensation for mediators, except as provided in SLR 12.025, nor serve as an endorsement or warranty of the mediator by the court.

- (4) The Presiding Judge or designee may remove a mediator from any court-connected mediator list if the mediator is no longer qualified under the Oregon Judicial Department Court-Connected Mediator Rules, or upon the written request of the mediator or agent, if the mediator is unable to make such request.
- (5) Qualified court-connected mediators will be identified as such to the public, together with contact information for such mediators. The applications of qualified court-connected mediators will be available for review by the public.

12.025**ALTERNATE MEDIATION PROCEDURE IN CIVIL AND DOMESTIC RELATIONS ACTIONS SUBJECT TO 36.400 TO 36.425**

- (1) Mediation, as used in these rules, is a facilitated negotiation process in which a neutral third-party assists the parties in attempting to reach a resolution of their controversy. The mediator has no authority to make a decision or impose a solution.
- (2) On the parties' written stipulation, filed with the court at any time prior to the commencement of the arbitration hearing, the parties may elect to mediate (pursuant to ORS 36.185 to 36.238) rather than arbitrate any civil or domestic relations case subject to mandatory arbitration under 36.400 to 36.425. Such mediation shall be accomplished within the same time period required for court-annexed arbitration under these rules. If the parties mediate in good faith, they shall be deemed to have met the requirements for 36.400 to 36.425 and SLR 7.016 whether or not the mediation results in resolution of all claims, and shall not thereafter be required to submit to arbitration. Nothing in this rule, however, precludes the parties from entering into arbitration in the event that mediation is unsuccessful in resolving the controversy. Any such request to arbitration after mediation shall be governed by Chapter 13 of these Supplemental Local Rules.
- (3) If no arbitrator has been selected or assigned at the time of the filing of the stipulation to mediate, the parties select a mediator by stipulation.
- (4) If an arbitrator has already been assigned at the time of the stipulation to mediate, the arbitrator shall be informed immediately, and shall be compensated, pursuant to UTCR 13.120 and the Supplementary Local Rules, for any time already invested in the case.
- (5) If the parties select a mediator who is not qualified under the Oregon Judicial Department's Court-Connected Mediator Qualification Rules, they shall be deemed to have waived any protections under those rules.
- (6) Unless the parties agree to different compensation, the mediator is to be compensated pursuant to UTCR 13.120, the Supplementary Local Rules, and the hourly rate established by the arbitration commission.
- (7) If requested by the mediator, the parties shall supply to the mediator a statement of the nature of the case, the status of settlement negotiations, and any other information requested by the mediator or deemed helpful by any party for the resolution of the dispute. This must be supplied to the mediator at least one day prior to the scheduled mediation.
- (8) Within five days of the conclusion of the mediation, the mediator shall file with the court a report, together with proof of service of the report upon each party, stating the status of the action following mediation as either "settled" or "not settled." If settled, the terms of the settlement may be stated in the report, unless the parties have agreed that the terms shall be kept confidential. A written statement of the

terms of the settlement signed by the parties and/or their attorneys shall be retained by the mediator. A written settlement agreement or memorandum of agreement shall be admissible to prove the settlement under to ORS 36.220 to 36.238. If the mediator's report is "settled" the parties must, within 30 days of the filing of the report being filed, submit to the Presiding Judge a stipulated judgment as the final order in the action. If the mediator's report is "not settled" the action will be assigned an initial trial date and will proceed on the court's civil calendar.

- (9) In the event any party fails to mediate in good faith after signing a stipulation for mediation pursuant to this rule, the court may assess as costs any other party's costs necessarily incurred in the mediation, in any subsequent judgment.
- (10) The mediation proceedings described by this rule are compromise negotiations for purposes of OEC 408 (ORS 40.190) and are confidential under ORS 36.220 to 36.238.

12.035 MEDIATION IN SMALL CLAIMS ACTIONS; FAILURE TO COMPLY WITH SETTLEMENT

- (1) All small claims actions shall go to mediation orientation before going to trial.
- (2) Agreements reached while in mediation shall be signed by the parties and mediator and filed as stipulated orders. The mediated agreement represents a full and complete settlement of all claims and counterclaims raised in the proceeding. The court will enter a Stipulated Order/Judgment of Dismissal of the case, subject to completion of the agreement.
- (3) Failure of either party to comply with the mediated agreement will be grounds for the opposing party to file a Declaration of Noncompliance and Request for Judgment, and upon such filing, the dismissal shall be set aside. Without further hearing, the court may enter a Judgment against the noncomplying party in the dollar amount of the original claim.

12.045 MEDIATION IN PROBATE PROCEEDINGS

- (1) Scope and Objectives. Probate proceedings shall be subject to mediation in accordance with these rules.
 - (a) Unless excluded below, all matters in Chapters 111 to 116 and 125 to 130 of the Oregon Revised Statutes under the jurisdiction of the Circuit Court shall be subject to mediation. These include protective proceedings, gifts, trusts, health care directives, powers of attorney, probate estates and estate matters outside of probate.
 - (b) The following matters are excluded from mediation: temporary protective proceedings under Chapter 125.

- (c) If there is a dispute about whether a specific matter is subject to mediation under these rules, a court shall make the determination and shall rely on the policy to encourage the use of mediators in alternative dispute resolution and to discourage litigation.
 - (d) Mediation shall occur with the objectives of allowing parties to air their grievances informally, craft personal and creative solutions, forestall future possible disputes, work in an atmosphere that is outside of the formal rules of the courtroom, and to save on the expense of the judicial process.
- (2) Presentation for Mediation
- (a) Matters may be assigned for mediation by order of the court on its own motion.
 - (b) Matters may be mediated by agreement of all of the parties or notice by any party. A party may notice mediation without court permission.
- (3) Nothing in these rules shall prevent:
- (a) Matters from being mediated before the filing of a legal proceeding except that the court cannot be used to resolve disputes in the mediation unless a legal proceeding is filed; or,
 - (b) Parties from settling disputes without mediation or through settlement conferences.
- (4) Procedure. In cases subject to mediation under these rules:
- (a) The parties shall initiate the mediation process upon the filing of an objection or other responsive pleading setting a matter at issue. The Court may notify the parties with a court notice of the mediation requirements.
 - (b) A party may notice a mediation by serving a written notice of mediation on all other parties stating that the party has elected to mediate the matter pursuant to these rules. The Notice shall include a plain and concise statement of the facts that inform the parties and the court of the questions in dispute. The Notice may be substantially in the form set forth in Appendix (See Notice Form, Forms Appendix) to these rules.
 - (c) The parties or one of them, if by agreement, shall provide a status report to the court within thirty (30) days of the filing of the objection or other responsive pleading setting a matter at issue. The status report shall include the dispute resolution plan, any request for a settlement conference, whether there is a pending motion to waive mediation or a request for a hearing date.
- (5) Waiver of Mediation. If a party determines that mediation is not appropriate in the matter at issue, the party may move to waive mediation and serve the motion on all

other parties. The motion shall include a plain and concise statement of the facts so as to inform the parties and the court of why the party is objecting to mediation. The Motion to Waive Mediation may be substantially in the form set forth in Appendix (See Motion Form, Forms Appendix) to these rules.

- (a) A motion to waive mediation must be made within fourteen (14) days of the court notice or the pleading setting the matter at issue. The motion may be accompanied with pleadings necessary to set the substantive issues before the court.
 - (b) The court may set a hearing on the motion to waive the mediation for no later than fourteen (14) days from the filing of the motion and shall notify all parties.
 - (c) A court hearing on a motion to waive mediation shall order that mediation proceed except for good cause shown. If the court determines that the matter should not be subject to mediation, the court shall set the matter for a hearing on the substantive questions in dispute.
- (6) Other Procedure
- (a) The court may modify the times for notice and objection if a party is unrepresented by legal counsel or for good cause shown. A modification can be retroactive.
 - (b) The calculation of the timelines under these rules shall be made in accordance with ORCP 7D(2)(d)(ii).
 - (c) Service of pleadings shall occur as set forth in Chapters 111 to 116 and 125 to 130 or shall be governed by the Oregon Rules of Civil Procedure. Proof of service of pleadings required by these rules shall be filed with the court with a copy of the pleading.
 - (d) In the event the times set forth in these mediation rules prejudice a party's statutory rights, the court shall provide relief for the party if the relief is consistent with the fair adjudication of disputes.
 - (e) If there is a dispute about whether or not an attorney or other advocate should be present at mediation under these rules, a court shall make the determination and shall rely on the policy to encourage the use of attorneys and advocates.
- (7) Choice of Mediator

A mediator shall be chosen by the parties or the court as follows:

- (a) By stipulation of the parties.

- (b) If there is no objection to mediation, each party shall provide all parties a list of acceptable mediators within fourteen (14) days of pleading setting the matter at issue.
 - (c) If there is an objection to mediation and a court determination that mediation shall proceed, each party shall provide all parties a list of acceptable mediators within seven (7) days of the order on the objection.
 - (d) The parties shall make a good faith effort to find a mutually agreeable mediator. Once a mediator is chosen by the parties the noticing party shall inform the court of the mediator's name and address.
 - (e) If the parties cannot agree to a mediator within seven (7) days from the date the list was required to be furnished, a party may file a motion to appoint a mediator. That motion must be served on all parties and any party may file a response with a list of their choice of mediators and a plain and concise statement of facts about why one of the mediators on their list should be appointed. The court shall appoint a mediator qualified under paragraph (8) (b) of this rule that appears on the list of at least one party and is not required to hold a hearing.
- (8) Qualification of Mediator
- (a) A mediator qualified for probate mediation must be: (i) An attorney licensed to practice before the courts of this state having at least five years of experience in estates, trusts or protective proceedings, (ii) an individual with special skill or training in the administration of estates, trusts or protective proceedings, or (iii) an individual with special skill or training as a mediator.
 - (b) A mediator appointed by the court rather than by agreement of the parties shall also (i) comply with the Oregon Judicial Department Court-Connected Mediator Qualification Rules and (ii) have attended the Multnomah County Probate Department mediation training.
 - (c) The mediator shall not have an interest in any of the issues subject to dispute and shall not be related to a party.

(9) Date for Mediation

Upon the designation of a mediator by the parties or the court appointment of a mediator, the mediator and the parties shall establish a date for the mediation. If a date cannot be agreed upon within fourteen (14) days of the designation or appointment of the mediator, a party may move the court to set a date for the mediation and the procedure shall be substantively similar to that for the appointment of a mediator in Rule 12.045(7)(E).

(10) Duration of Mediation

Parties to mediation shall mediate in good faith. In all cases the mediation must last at least three (3) hours unless the matter is conclusively resolved in less time or if the mediator concludes that no progress is likely to occur.

- (11) Mediation Agreement. A resolution of the matter that is the subject of the mediation shall be memorialized in writing and signed by the mediating parties. Subject to the waiting period set forth below, the agreement shall be binding on all signors.
 - (a) Each party to the mediation shall have seven (7) days to repudiate the agreement. A repudiation shall be in writing. Parties may agree to eliminate or change the period of time during which repudiation may occur.
 - (b) After seven (7) days or such different time period as the parties may agree, the parties to the agreement shall reduce it to a court order or judgment for approval of the court.
 - (c) If a party repudiates the agreement, the party shall immediately inform the mediator and all parties and the mediator or any party shall inform the court. The matter shall be scheduled for hearing by the court in the same course and with the same priority on the docket as though there had been no mediation.
- (12) Costs of Mediation. Costs of the mediation, including reasonable compensation for the mediator's services, shall be borne equally by the parties unless the parties agree otherwise.
 - (a) The details of mediation costs and fees, including the compensation of the mediator, must be set forth in a mediation agreement between the mediator and all parties to the matter.
 - (b) Nothing in these rules is intended to affect a party's right to petition for payment or reimbursement of fees and costs pursuant to another rule or statute in the underlying matter.
 - (c) A party shall not be kept from mediation due to indigency and the court shall establish procedures for mediation when there is an indigent party.

(13) Compliance

If a party does not comply with these rules, any other party may move the court for an order compelling compliance. A party obtaining an order compelling compliance is entitled to reimbursement of costs and attorneys' fees incurred in connection with the compliance proceeding unless the court at the hearing determines otherwise for good cause shown. Reimbursement must be from the party or parties whose failure to comply was the basis for the petition.

**CHAPTER 13
ARBITRATION**

13.025 REQUEST FOR AND OBJECTIONS TO ARBITRATION

- (1) Any party may file and serve notice of a request that the court transfer a case to arbitration.
- (2) A party opposing exemption from arbitration pursuant to UTCR 13.070 shall file such opposition, in writing, within three days of the filing of the motion for exemption. A court decision on such exemption will be rendered within five days following the filing of a motion for exemption from arbitration, regardless of whether opposition was filed. If the motion is allowed, the case will be returned to the active trial docket for future disposition. If the motion is denied, the case will remain in arbitration in accordance with these rules and the UTCR.

**13.032 SUBMISSION OF COPIES OF MOTIONS AND OTHER DOCUMENTS
TO PRESIDING JUDGE**

For cases subject to arbitration, and except for motions requiring decision by the arbitrator, any motion, challenge, response or reply required or allowed by these rules, the Oregon Revised Statutes or the Uniform Trial Court Rules, must include a copy which shall be delivered to the Presiding Judge contemporaneous with the filing of such motion, challenge, response or reply. The party preparing the document is responsible for delivery of the copy to the Presiding Judge.

**13.035 COURT SHALL DETERMINE WHETHER CASE IS SUBJECT TO
ARBITRATION; AMENDMENT OF PLEADINGS**

- (1) A case assigned to arbitration will not be exempted without an order, supported by a motion and affidavit, declaration, or certification under ORCP 17C.
- (2) Only in extraordinary circumstances will the court order a case returned from arbitration to the court docket after a case has been assigned to an arbitrator.
- (3) If a party in arbitration seeks to amend pleadings that will add a party or parties to the case (e.g., amended complaint, third party complaint, etc.) or which causes the case not to be subject to mandatory arbitration, the party must file such a motion in court pursuant to ORCP 23. Such motions will be heard by the Multnomah County Arbitration Judge. If a motion to amend is granted adding parties to the case, the newly added parties will file in court any responsive pleadings and pay any required appearance fees. The Arbitration Judge's order allowing any such amendment will address whether the case will remain in arbitration or be removed from the arbitration program in accordance with ORS 36.405. For cases that remain in arbitration, the Arbitration Judge's order will address whether the current arbitration schedule should be adjusted. For cases that are removed from arbitration, the Arbitration Judge's order will include the setting of a trial readiness conference in accordance with SLR 7.015.

- (4) If a party seeks to exempt a case from arbitration in accordance with subsection (3) of this rule, or on any other basis, or seeks an order exempting from arbitration a case that would otherwise be referred to arbitration, that party shall file a motion, supported by affidavit, declaration or certification, with the court, and serve the motion:
 - (a) On the other party or parties in the case;
 - (b) On the arbitrator, if an arbitrator has been assigned to the case; and
 - (c) On the Arbitration Clerk in the Civil Division of the Office of the Trial Court Administrator.
- (5) A party that moves for an order under subsection (4) of this rule shall promptly advise the arbitrator in the case, if one has been assigned, of the resolution of the motion.
- (6) Cases exempted from arbitration under this rule may, when again appropriate, be reinstated into arbitration.

13.042 ASSIGNMENT TO ARBITRATION

If the first appearance of a defendant is not an answer, but is a motion directed to the complaint or a dispositive motion, the motion shall be decided before the case is assigned to arbitration. No case shall be assigned to arbitration until all parties have appeared or have had a judgment of default entered against them. If a case has been assigned to arbitration prior to the filing of a motion directed to the complaint or a dispositive motion, the motion shall be heard and decided by the arbitrator pursuant to UTCR 13.100.

13.048 INDIGENT PARTIES

- (1) In the event that funds are available under ORS 36.420, indigent parties may seek deferral or waiver of arbitration fees by applying to the Presiding judge or designee.
- (2) Any party who obtains a deferral or waiver of arbitration fees as provided in ORS 36.420(3) and UTCR 13.120(3), must provide the arbitrator with a copy of the court order granting the deferral or waiver within 14 days from the date the case is assigned to the arbitrator.

Requests shall include the following: case identifying information; whether any party had a fee deferral or waiver and a copy of the order for fee deferral or waiver; total hours of service the arbitrator provided and

The Presiding Judge may remove a person as an arbitrator if such person fails or refuses to comply with the rules governing the performance of arbitrators, as required by the Oregon Revised Statutes, UTCR or these rules. The Arbitration Commission may adopt additional requirements for inclusion or retention on the list of arbitrators, including experience, training and continuing education.
- (2) There shall be a panel of arbitrators in such number as the Arbitration Commission may from time to time determine. Persons desiring to serve as an arbitrator shall submit in writing their desire to be placed on the arbitration panel, with the date they were admitted to the Bar, their name, street address, email address, fax, and phone numbers, and if they have any preference against certain types of cases (e.g., no family law). A list showing the names of arbitrators available to hear cases will be available for inspection in the [Room 210] **{Civil Department}** of the Multnomah County **{Central}** Courthouse. An arbitrator who is no longer willing or able to serve as an arbitrator shall immediately notify the arbitration clerk.
- (3) The appointment of an arbitrator is subject to the right of that person to refuse to serve on an individual case. An arbitrator must notify the clerk immediately if refusing to serve, or if any cause exists for the arbitrator's disqualification from the case upon any of the grounds of interest, relationship, bias, or prejudice governing the disqualification of judges.
- (4) If such disqualification or refusal occurs, the arbitrator must notify all parties and immediately return all appointment materials in the case to the clerk.
- (5) The parties shall confer, pursuant to UTCR 5.010, to select an arbitrator. The plaintiff or petitioner shall initiate communications for such selection. However, if the plaintiff or petitioner is appearing pro se, an attorney for the defendant(s) shall initiate such communications. If all parties are appearing pro se, or if good faith conference is unsuccessful, each party shall strike 2 names from the list of arbitrators, and return such list to the Presiding Judge, with a copy to and proof of service on the other party or parties. The Presiding Judge shall then select the arbitrator from the remaining names. In the event no names remain, the Presiding Judge may approve the issuance of a second list.

Unless otherwise ordered by the court, no amended or supplemental arbitration award shall be filed, regardless of whether judgment has been entered on the original.
- (2) At the conclusion of arbitration, if the arbitrator attempts to file the award with the court without the proof of service of a copy of the decision and award upon each party as required by ORS 36.425(1), the award will not be filed and will be returned to the arbitrator.

13.120 ARBITRATION FEES

- (1) Effective for cases filed on or after July 1, 2017, the hourly arbitrator’s fee is \$150. The total maximum total fee is \$1500, which shall be divided pro rata among the parties or in accordance with the order of the arbitrator.
- (2) In accordance with UTCR 13.120, if, at the conclusion of the case, the arbitrator determines that the case required extraordinary effort and time, the arbitrator may seek the parties’ agreement for a fee in excess of the \$1500 maximum fee. If the parties do not agree that additional fees are warranted, the arbitrator may seek an order from the Arbitration Judge authorizing additional fees.
- (3) Upon selection of an arbitrator, each party shall pay to the arbitrator the sum of at least \$150 to be credited against the total arbitration fee. The balance of the parties’ arbitration fee shall be paid upon the earlier of (a) the filing of a motion by any party

upon which the arbitrator must rule; or (b) within 30 days of the first scheduled arbitration hearing date.

- (4) The arbitrator shall not allow any party to appear or participate in the arbitration proceeding after the transfer unless the party pays the required arbitrator fee or the party obtains a waiver or deferral of the fee from the court and provides a copy of the waiver or deferral to the arbitrator.
- (5) If an arbitration hearing is cancelled fourteen (14) days or more from the arbitration hearing date, the arbitrator is entitled to retain the greater of \$150 per party or compensation for the time actually spent by the arbitrator paid at the rate of \$150 per hour. Any arbitrator fee deposit in excess of these amounts must be refunded to the parties in accordance with UTCR 13.120(2). If the hearing is cancelled fewer than fourteen (14) days prior to the arbitration hearing date, the entire fee deposits need not be refunded to the parties.
- (6) If any party qualifies for a fee deferral or fee waiver, the relief required by ORS 36.420(3) must be obtained before the scheduling of the hearing.

With the exception of applying this 91 day time period in place of the 49 day time period set in UTCR 13.160 (3), all other requirements of UTCR 13.160 (3) and (4) apply to the scheduling, postponement or continuance of an arbitration hearing.
- (2) If an arbitration hearing is not scheduled within 180 days from the date of assignment of arbitration, the court will issue an order to show cause why the case should not be removed from the arbitration program and set a court hearing date for the parties with the Arbitration Judge. The Arbitration Judge will continue the case in the arbitration program only if the parties establish extraordinary circumstances justifying the delay in the arbitration hearing date. CHAPTER 16 VIOLATION OFFENSES

16.005 SCOPE

- (1) This Chapter prescribes procedures related to certain citations issued for violation of (a) the Oregon Vehicle Code (ORS Chapters 801-826) and municipal codes enforceable in the Fourth Judicial District as they pertain to regulation of vehicle traffic, (b) Oregon fish and wildlife law, (c) the TriMet Code (Chapter 28, related to conduct on TriMet property, and Chapter 29, related to proof of fare payment), and (d) such other types of violation citations as the court may specify by Order.
- (2) Notwithstanding Section (1), the following categories of violation citations are excluded from the scope of this Chapter: (a) violations originally charged as misdemeanors; (b) parking citations; and (c) any violation citation eligible for consideration in Community Court or such other specialty court as the court may establish from time to time.

16.015 PLEAS; WRITTEN OR IN-PERSON; DISPOSITION

- (1) The recipient of a violation citation issued within the scope this Chapter shall enter a plea of no contest or not guilty to the violation(s) charged. The plea may be made electronically, in writing or in person as provided in this Section.
 - (a) If in writing or electronically, the plea must be received by the court on or prior to the date indicated on the citation for appearance.
 - (b) If, in a timely submission to the court, the recipient of a violation citation fails to specify a plea, the court may, in its discretion, enter a plea on the recipient's behalf. The court may enter a no contest plea if the essential facts constituting the violation(s) are admitted or the court can otherwise reasonably infer the recipient's intent not to contest the charge(s). In all other circumstances, the court will enter a not guilty plea on the recipient's behalf and set the case for trial.
 - (c) In-person pleas may also be entered with the Clerk of the Court, either at the Multnomah County **{Central}** Courthouse or the East County Courthouse, on or before the date indicated on the citation for appearance. Recipients may enter their plea with Clerk of the [c]{C}ourt or before a judicial officer after appearing before the Clerk and requesting to enter a plea before a judicial officer.
- (2) If the recipient pleads not guilty or a not guilty plea is entered on the recipient's behalf as provided in sub-section (1)(b), the case will be set for a court trial.
 - (a) The court will provide notice of the trial date to the law enforcement agency employing the citing officer and to the recipient. Recipient's trial notice will be sent to the **{mailing}** address **{or email address}** provided to the court at the time the recipient enters an in-person not guilty plea or at the recipient's last known address if the plea is entered otherwise. It is the recipient's burden to provide the court with complete and accurate contact information (including address, telephone number and

email address) and to promptly notify the court of any changes. The trial notice will specify the date, time and location of the trial.

- (b) Except as provided in sub-section (2)(c), the citing officer, the recipient of the citation and any witnesses for either party shall appear for trial at the time and place indicated in the court's trial notice. After trial, the court will enter a judgment of conviction or acquittal on the charge(s) and impose fines on any conviction.
 - (c) Except for violation citations issued as a result of electronic enforcement of the Oregon Vehicle Code, ORS 810.434 through ORS 810.439, the recipient may request a trial by declaration. If the recipient makes such a request, the court will supply a form of declaration for the recipient to complete, certified under penalties of perjury. The information provided in the declaration will substitute for in-person testimony at trial. Any witness for the recipient may likewise appear by declaration. The recipient's submission of a written declaration complying with this sub-section shall constitute a waiver of the recipient's right to personally appear at trial and an agreement to pay any fine assessed after trial within the time provided in SLR 16.075.
 - (d) The recipient of a violation citation issued as a result of electronic enforcement of the Oregon Vehicle Code may likewise appear by declaration, but only if the declaration expressly states that the recipient does not dispute that he or she was the driver of the vehicle identified in the citation.
 - (e) Up to 5:00 p.m. the business day prior to commencement of trial, the recipient may change the plea from not guilty to no contest.
- (3) If the recipient pleads no contest to a violation charge or charges, or a no contest plea is entered on the recipient's behalf as provided in sub-section (1)(b), the court will enter a judgment of conviction on all such charges and a fine will be imposed as provided in this section.
- (a) A written plea may be submitted with a statement or explanation, provided that the recipient includes payment of the full presumptive fine(s) with the plea or indicates that the recipient is indigent and cannot pay the full presumptive fine(s). After consideration of the statement or explanation and any other pertinent information, such as the recipient's driving history, the court shall impose a fine in a sum not less than the minimum prescribed by Oregon law.
 - (b) A qualifying in-person **{or electronic}** plea may be entered and a fine assessed in accordance with the Violations Bureau schedule as provided in SLR 16.025. Otherwise, the recipient entering a plea in-person may either pay the presumptive fine indicated on the citation or appear before a judicial officer for assessment of a fine. If the recipient does not qualify for a Violations Bureau fine or elects to appear before a judicial officer, a fine will be assessed in the same manner as a written plea accompanied by an explanation or statement.

- (c) Either the Clerk of the Court or a judicial officer may enter a judgment of dismissal of a charge, without the entry of a plea, consistent with Oregon law or in accordance with a documented offer made by the citing officer, the terms of which are established by the recipient to have been fulfilled.

16.025 VIOLATIONS BUREAU; CREATION AND ELIGIBLE VIOLATIONS

- (1) Pursuant to ORS 153.800, the Fourth Judicial District establishes a Violations Bureau. The Violations Bureau fine schedule, as it may be amended from time to time, is incorporated by reference into these rules.
- (2) Out-of-state residents may *[also]* be assessed **{a}** Violation Bureau fine[s] **{and receive a reduced fine amount}** if they **{,}** *[present a certified copy of their driving record for a period covering not less than three years prior the date of the citation for which they are appearing or the date of first licensure, whichever period is shorter.]* **{in accordance with the Presiding Judge’s Order 18-1-00000, submit/sign a declaration as to their prior conviction history. In any case, the clerk has the discretion to refer the matter to a judge for review.}**

16.035 REPRESENTATION BY COUNSEL

- (1) A person charged with a violation within the scope of this Chapter may be represented by counsel at any stage of the proceeding. As a condition to appearance in the matter, counsel must file a Notice of Representation with the court.
- (2) If counsel’s initial appearance is for purposes of entering a plea, the Notice shall be filed contemporaneously with entry of the plea. Otherwise, the Notice must be filed prior to counsel’s initial appearance or, in the discretion of the court, on the same day as the initial appearance.
- (3) Notices filed under this Section must be electronically submitted in accordance with UTCR 21.140. Other forms of filing are not permitted.

16.045 PRETRIAL MOTIONS

- (1) Discovery Motions. Any motion or other form of request seeking documents or other information from the law enforcement agency employing the issuer of a violation citation within the scope of this chapter must be submitted directly to the law enforcement agency.
- (2) Dispositive Motions. Any dispositive motion, such as a motion to dismiss a violation citation, shall be filed with the court (if by counsel, exclusively by electronic submission in accordance with UTCR 21.140), with copies served on the law enforcement agency employing the issuer of the citation and any counsel for the agency.
- (3) Pretrial discovery disputes and dispositive motions will be heard and decided on the date set for trial unless the court determines that exceptional circumstances exist.

16.055 POSTPONEMENTS OF TRIAL

- (1) Either a citing officer or recipient of a violation citation may obtain one postponement of a trial setting by submitting a timely written or electronic request to the court or timely appearing in person before the Clerk of the Court. Requests will be considered timely if received by the court at least 14 days prior to the trial date.
- (2) Untimely and second or subsequent trial postpone~~ment~~ requests may be submitted so long as the request and basis for the request are reasonably clear from the text and context of the submission. Subject to further consideration based on the standards specified in section 3, requests submitted within two days of trial (excluding Saturdays, Sundays and holidays recognized by the State of Oregon) will be presumptively denied. In all events, it is the requesting party’s burden to determine, prior to an existing trial date, whether a postponement request has been granted or denied and to appear for the existing trial date unless the request has been granted.
- (3) Untimely and second or subsequent trial postponement requests will be denied except for good cause shown, as determined by a judicial officer.
- (4) Trial postponement requests made in open court on the day of trial may be considered in the discretion of the presiding judicial officer, for good cause shown. The presiding judicial officer may postpone a trial on the judicial officer’s own initiative in the judicial officer’s discretion.
- (5) When the court grants a trial postponement, the court will send the parties a new trial notice as provided in SLR 16.015(2)(a).

16.065 RELIEF FROM DEFAULT JUDGMENT

- (1) General Rule. In accordance with ORS 153.105, the recipient of a violation citation against whom a default judgment has been entered may file a motion to set aside the judgment within a reasonable time after entry of the judgment, not to exceed one year. A timely motion, including the recipient’s declaration, will be granted if it demonstrates the entry of default was due to mistake, inadvertence, surprise or excusable neglect.
- (2) Special Rule—Violation Citations Issued Through Electronic Enforcement of the Oregon Vehicle Code
 - (a) In accordance with the court’s inherent power to modify a judgment within a reasonable time, and subject to the further requirements of this section, a motion seeking relief from a default judgment entered on a violation citation issued as a result of electronic enforcement of the Oregon Vehicle Code, ORS 810.434 through ORS 810.439, will be granted if the recipient establishes that the recipient lacked notice of the citation prior to entry of judgment and filed the motion under this section promptly after receiving actual knowledge of the citation.

- (b) For purposes of this section, “lacked notice of the citation” means the recipient did not know of the citation and could not have known of the citation through the exercise of ordinary diligence.
 - (i) If the recipient’s motion is submitted to the court within one year from entry of the default judgment, the standard specified in this subsection may be met with any credible evidence.
 - (ii) If the recipient’s motion is submitted to the court after one year, but within three years, from entry of the default judgment, the standard specified in this subsection may be met with proof of change of residence (up to six months prior to issuance of the citation and up to 60 days after issuance); proof of misappropriation, misdirection or nondelivery of mail; or submission of other clear and convincing evidence.
 - (iii) If the recipient’s motion is submitted to the court after three years from entry of the default judgment, the standard specified in this subsection may only be met with a showing of extraordinary and compelling circumstances, including but not limited to continuous incarceration, continuous absence from the jurisdiction or debilitating medical condition.

(3) Procedure

- (a) A motion submitted under this Rule must be in writing. The court will provide a form which may be completed by the moving party, though any form of submission indicating its purpose and the court case or citation number will be accepted for filing.
- (b) The motion must be accompanied by full payment of any fines and accumulated fees owing on the judgment. This requirement may be waived if the motion is accompanied by evidence of indigence or the recipient presents the motion in-person to a judicial officer and the judicial officer exercises his or her discretion to waive payment.
- (c) A judicial officer will decide each motion submitted in accordance with this Rule and issue an Order reflecting the judicial officer’s decision. If the motion is granted, the judicial officer may, in accordance with the Oregon Vehicle Code and the exercise of the judicial officer’s discretion, (i) dismiss the case; (ii) enter a not guilty plea and set the case for a trial or identification hearing; or (iii) accept a no contest plea, enter a new judgment of conviction and impose a fine.

- (4) Any Violation Bureau fine assessed in accordance with ORS 153.800 and SLR 16.015 shall be paid in full within 30 days from entry of judgment.

- (5) In the event a person appears before a judicial officer, at a first appearance or at trial, and a conditional fine is assessed (requiring proof of completion of a traffic safety class, vehicle repair, compliance with law or some other act), the fine shall be paid no later than 30 days after entry of judgment.
- (6) All other fines shall be paid no later than 30 days after entry of judgment.

- (j) The exemption or privilege in ORS 811.635 for the holder of a disabled person parking permit is applicable to the type of parking offense cited and the registered owner or other recipient of the ticket provides proof to the Clerk of the Court of a valid disabled person parking permit at the time of the violation. This includes:
 - (i) Overtime tickets (both metered and timed zones), unless the zone allows parking for only 30 minutes or less or is subject to the restrictions under Portland City Ordinance 16.20.640 (Metered Districts); or
 - (ii) Parking in a disabled zone pursuant to ORS 811.615(1)(a); or
 - (iii) Disabled zone parking offenses cited under Portland City Code 16.20.250 if a disabled person was being transported; or

- (k) A parking citation was issued for unlawful use or misuse of a disabled person parking permit for parking in a manner that would otherwise be a privilege for a permit holder and the registered owner or other recipient of the ticket provides proof to the Clerk of the Court of renewal of an expired disabled person parking permit.
- (2) The Presiding Judge [*or the*]{,} Chief Criminal Law Judge{, **or their designee**} may dismiss the parking citations listed in SLR 17.025(1) by signing a list containing the license numbers of the vehicles and the reasons for the dismissals.
- (3) When a parking citation is subject to dismissal under SLR 17.025(1)(a) or (b), above, the person receiving the notice of the citation must [*bring*]{**submit**} the parking citation(s) and relevant documents relating to the transfer of the vehicle, including title, bill of sale or contract and vehicle registration if available, to the [*Parking Section of the Criminal Division*]{**Clerk of the Court**}. Proof that the prior owner notified the Department of Transportation of the transfer of the vehicle as required by Oregon law, together with proof of delivery of possession of the vehicle and assignment of title to a transferee, shall exempt the prior owner from liability for the parking of the vehicle by another person, provided the date of issuance of the parking citation is [*subsequent to*]{**after**} the date of transfer of the vehicle reported by the prior owner.
- (4) In all cases, the Presiding Judge [*or the*]{,} Chief Criminal Law Judge{, **or their designee**} may order a hearing to prevent abuse of the summary dismissal proceedings.

17.045 DISMISSAL OF CERTAIN PARKING CITATIONS; RE-ISSUE

At the request of the recipient, the issuing agency or on the court's own initiative, parking citations may be dismissed by the court only as prescribed by this Rule, subject to the issuing agency's or the court's authority to re-issue the citation to another party.

- (1) Requests for dismissal must be presented by the recipient or interested third-party within a reasonable time, but in no event more than one year, from issuance of the parking citation.
- (2) Requests for dismissal may be made in writing by mail (or equivalent form of delivery){, **electronic means,**} or in-person.
- (3) A recipient or interested third-party need not pay the bail or post security pending resolution of a request for dismissal. If the request is denied, the recipient must then proceed in accordance with SLR 17.015. On open, pending cases, the date the request is denied will be deemed to be the issuance date of the challenged parking citation for purposes of applying SLR 17.015.

17.071 PRETRIAL AND TRIAL PROCEEDINGS

- (1) Appearances. The recipient of a parking citation may be represented by counsel. At the discretion of the judicial officer, another individual willing to accept financial responsibility for the case may be allowed to appear to address the case.
- (2) Notices. Once **{the}** trial has been scheduled in accordance with SLR 17.015(3), the court will issue a trial notice to the *[registered owner]***{Defendant}** and to the law enforcement agency that issued the parking citation. Any notice to the *[registered owner will]* **{Defendant will}** be sent to the address *[of the registered owner]* as provided by the Department of Motor Vehicles, *[or]* to an updated mailing address provided to the court either by the *[registered owner]***{Defendant}** or the US Postal Service**{, or via electronic mail if the registered owner has opted-in to receive email communication from the court}**.
- (3) Trial Postponements. The issuing officer and the recipient of the citation are each permitted one postponement of the scheduled trial date. A permissible postponement must be requested in writing, or presented in-person, to the court more than 14 days prior to the scheduled trial date. Second (and subsequent) or untimely postponement requests will be summarily denied absent extraordinary circumstances found by the court in its sound discretion.
- (4) Trial Cancellations. In the event (a) of a dismissal granted in accordance with SLR 17.025, or (b) the recipient elects to change a previously entered “not guilty” plea and proceed instead in accordance with SLR 17.015(1) of (2), a previously scheduled trial will be cancelled by the court.
- (5) Trials. At trial, the judicial officer will consider the testimony of the parties, any photographic or documentary evidence submitted by the parties and such other material as the judicial officer deems relevant to the case. The *[registered owner]***{defendant}** and any witnesses may appear by declaration with the written submission substituting for in-person testimony. The submission of a declaration constitutes a waiver of the right to appear in person and an agreement to pay any bail assessed in accordance with SLR 17.905. After consideration of all the evidence, the judicial officer will either (a) make a finding of not guilty, enter a judgment of acquittal and dismiss the case, or (b) make a finding of guilty, enter a judgment of conviction and assess a bail in accordance with SLR 17.905.

17.105 DEFAULT JUDGMENTS; MOTIONS TO SET ASIDE DEFAULT

- (1) Entry of Default Judgment. If, within 60 days from the notice of a parking citation (or other counting date prescribed by this Chapter), the vehicle’s registered owner or other interested party fails to exercise any of the options prescribed in SLR 17.015, or if a party who has requested a trial fails to appear at the scheduled date and time, the court may immediately enter a judgment of conviction by default against the recipient in an amount determined in accordance with SLR 17.905. Thereafter, the

court may assess additional late fees, administrative fees and collection fees, as permitted by law, until the balance due is paid in full.

- (2) Motion to Set Aside Default Judgment.
 - (a) A person against whom a default judgment has been entered may file a motion with the court requesting that the judgment be set aside. Any written correspondence submitted to the court requesting that an existing default judgment be voided or revised will be treated as a motion to set aside the default conviction.
 - (b) Any motion to set aside a default judgment must be filed within a reasonable time after entry of judgment. The motion must be in writing and be accompanied by payment of the full amount due, including all accrued fees. Payment may be waived, in whole or in part, on a showing satisfactory to a judicial officer that the person is indigent. A motion to set aside a default judgment filed more than one year after entry of judgment shall not be granted unless a judicial officer determines that good cause for the delay has been shown.
 - (c) Any motion to set aside a default judgment and accompanying declaration or affidavit must provide facts establishing mistake, inadvertence, surprise or excusable neglect as those terms are used in ORCP 71.
 - (d) The judicial officer's ruling on a motion to set aside a default judgment may include (i) reducing the original bail (with or without setting aside the underlying judgment), (ii) setting the matter for trial in accordance with this Chapter, (iii) accepting a plea of guilty or no contest and assessing a new bail in accordance with SLR 17.905, or (iv) dismissing the case in accordance with SLR 17.025.

17.905 ASSESSMENT OF BAIL

On a finding of guilty for a parking violation, after consideration of a mail plea, after trial or by default, a judicial officer may assess a bail in any amount permitted by the legal authority under which the parking citation was issued. Alternatively, the judicial officer may impose no bail and enter a sentence of discharge, except as prohibited by statute. In the event the judicial officer imposes bail in excess of the amount indicated on the parking citation, the court shall schedule a hearing upon request of recipient, to permit the recipient to show cause, if any, why the excess bail should not be imposed.

17.915 PAYMENT OF BAIL

- (1) If payment of any bail was deferred or waived prior to entry of judgment or if the amount of bail deposited is less than the fine assessed in the judgment, the bail fine or remaining amount of the fine shall be due 30 days after entry of judgment. Thereafter, the court may assess additional late fees, administrative fees and collection fees, as permitted by law, until the balance due is paid in full.

- (2) If the amount of bail deposited is greater than the fine assessed in the judgment, the excess will be refunded to the party who paid the bail.

17.955 TOWING AND IMPOUNDMENT

- (1) Standard for Issuance of Tow Order. The court may issue an order permitting a vehicle to be towed and impounded if (a) the vehicle has been issued at least six parking citations that remain unpaid, or (b) at least \$500 in accrued bail and fees are owed on judgments attributable to parking citations issued to the vehicle.
- (2) Tow Orders *In Rem*. An Order issued in accordance with this rule is *in rem*, or directed toward the vehicle that was cited for parking violations when the assessed bail on those citations remains unpaid. Subject to the provisions of subsection (3) of this rule, a vehicle may be towed and impounded without regard to transfer(s) of title to the vehicle.
- (3) Outstanding Citations and Requests for Release.
 - (a) Any contrary provisions of this Chapter notwithstanding, once a vehicle has been towed and impounded in accordance with this rule, any parking citations that have been issued to the vehicle but remain unadjudicated must be addressed according to SLR 17.015 prior to release of the vehicle.
 - (b) If an in-person hearing is requested to release a vehicle towed and impounded in accordance with this rule, the hearing shall be held within two business days of the request. Subject to the further provisions of this rule and any other conditions imposed by the judicial officer considering the release request, all outstanding fees and bail owing on closed, adjudicated, or parking citations in which the incident date is older than 6 months must be paid in full as a condition of release. The judicial officer considering the release request may waive payment, except with respect to such amounts owing on account of previously adjudicated citations which have been transferred to the Oregon Department of Revenue or other third party for collection. Any payment waiver granted under this subsection is limited to release of the vehicle and does nothing to limit the underlying financial obligation of any person liable for payment of these financial obligations.
 - (c) A person requesting release of a vehicle towed and impounded in accordance with this rule need not make the payment required by subsection (3)(b) of this rule as a condition of the vehicle's release if the person establishes with substantial evidence that (i) the person is either a bona fide purchaser for value of the vehicle or a bona fide holder of a perfected security interest in the vehicle and (ii) if the person is a bona fide purchaser for value of the vehicle, all citations that resulted in the tow and impoundment (other than a citation issued contemporaneous with the tow itself) were issued prior to the date of purchase.

- (d) In order to satisfy the requirements of subsection (3)(c) of this rule, the person requesting release of a vehicle as a bona fide purchase for value must provide documentation satisfactory to the judicial officer including, without limitation, (i) bill of sale or equivalent documentation signed by the seller and the purchaser, (ii) proof of registration and title in the name of the purchaser, (iii) proof of fair market value at the time of purchase, and (iv) proof of payment of fair market value to the seller. In order to satisfy the requirements of subsection (3)(c) of this rule, the person requesting release of a vehicle as a perfected security interest holder must provide documentation satisfactory to the judicial officer including, without limitation, (i) an executed retail installment contract, as that term is defined in ORS 83.010(8), or an executed security agreement, as that term is defined in ORS 79.0102(uuu); (ii) a copy of the certificate of title with the retail installment contract holder or secured party listed thereon as the lienholder; and (iii) proof that the retail installment contract holder or secured party gave consideration in exchange for their security interest. In the event the transfer is between family members, spouses, cohabitants, business associates or others who, in the opinion of the judicial officer, share an interest in avoiding the towing and impoundment of the vehicle or payment of the underlying financial obligations, there shall be a rebuttable presumption that the transfer is not a bona fide purchase for value, or a bona fide security interest, which may only be overcome by clear and convincing evidence. Nothing in this subsection or in subsection (3)(c) of this rule should be construed to limit or otherwise address any financial obligations owed to third parties arising from the towing and impoundment of the vehicle or the rights of the bona fide purchaser against the seller or others. Any order releasing a vehicle to a secured party under this section shall provide that the secured party is prohibited from releasing the vehicle to the registered owner unless the registered owner demonstrates that the payment required by section 3(b) of this rule has been made, or upon further order of a judicial officer.
- (e) The party requesting release of a vehicle through an in-person hearing with a judicial officer must provide the following:
- (i) a valid driver's license (with intact driving privileges);
 - (ii) current automobile liability insurance in the driver's name or in the name of the vehicle's registered owner;
 - (iii) current vehicle registration or DMV temporary trip travel permit;
 - (iv) if the person seeking release is other than the registered owner, a notarized authorization from the registered owner authorizing release to that person or another identified individual. If the authorization is to another individual, that person must provide their valid driver's license (with intact driving privileges).

- (4) Limited Release for Personal Property. In lieu of or preliminary to release of the vehicle under section (3) of this rule, a judicial officer may order release of personal

property contained in the vehicle on such terms and under such conditions as the judicial officer may impose.
