

MBF CourtSupport Needs Your Support

The Multnomah Bar Foundation (MBF) is launching a new initiative, CourtSupport, to develop and fund projects designed to assist community members navigating courts in Multnomah County.

CourtSupport's initial goal is to place a CourtSupport Navigator at the information desk in the new courthouse lobby. Through this and future projects, CourtSupport will work to close critical funding gaps in areas impacting access to justice and the quality and administration of the legal system. Please see the donation levels and benefits below and consider supporting the MBF with a tax-deductible, charitable contribution. The MBF is a 501(c)(3) nonprofit.
