Make a Difference Through the 16th Annual CourtCare Campaign

"I love you have a box of real dinosaurs so we can find them in your dinosaur books, and you tell me who their right names are." -From a four-year-old in CourtCare

Before Multnomah CourtCare[®], children whose families were involved in court proceedings were left unattended to roam the halls of the Multnomah County Courthouse or were brought into the courtroom to witness often disturbing scenes. CourtCare provides a safe, welcoming place for children whose parents or guardians have business in the courthouse and no options for childcare. Since opening in 2001, the program has provided free, drop-in childcare to more than 17,000 children.

Please help us continue to make a difference in the lives of children and their families by making a charitable contribution to CourtCare. Your support funds program operations in the Central and East County courthouses, protects children, and improves the administration of the justice system by allowing for more efficient courtroom proceedings.
