Avoiding Unethical Billing Practices

When was the last time you reviewed your billing practices (and those of your staff or employees) against the ethics opinions and rules? While time entry practices are seemingly common sense, the rules are often unexpectedly complex in our day-to-day and matter-to-matter practices. Learn how to avoid disciplinary action, and earn ethics credits, too! This presentation is for all experience levels. Join attorney Dayna Underhill of Holland & Knight for a detailed review of ethical, and not so ethical, time keeping practices.
