An Anatomical Look at Custody Evaluations

This two hour class will examine what evaluators want to see from lawyers and what lawyers need to know from evaluators. The presentation will include an examination of how to prepare your client for an evaluation and how to prepare the evaluator for your case. In addition, there will be a discussion of how to prepare an evaluator for trial and how to present an evaluation to the court.

Our speakers are David Hobson and Dr. Robert Loveland. David has been practicing since 1985 and practices exclusively in the area of Family Law. Dr. Loveland is a licensed psychologist who has been conducting custody, parenting plan, and forensic evaluations for child protection or adoption issues since 1978. He has been recognized as an expert witness in these matters in jurisdictions across Oregon and Washington.
