The Lifestyle Lawyer

Using Technology to Eliminate, Automate, Delegate, Do

Successful lawyers use technology and manage their time effectively to reach their goals. While efficiency is important, effectiveness is the key! See how technology can increase your productivity, and how to choose the right system for your law firm. Learn essential ways to manage time to help you get more done and be more effective. Benefit from valuable tips and strategies to become a high performer, such as creating a plan, developing habits, eliminating unimportant tasks, learning to say "no," and using computers and smartphones effectively to increase productivity and deal with information overload. Work smart, not hard. Included with this CLE are over 20 Microsoft Word and Excel documents.

A trial lawyer with a deep technical background, **Tom Howe** has over 25 years of experience in law and technology. He is one of the leading e-discovery lawyers in the country, providing legal/technology consulting and expert witness services to some of the largest law firms, corporate legal departments, and e-discovery vendors in the United States. Tom is a regular keynote speaker at legal and technology conferences around the world, and has authored five books on law and technology.
