# What Every Attorney Needs to Know about Workers' Compensation

This CLE will provide a framework for understanding state workers' compensation claims and how they might affect a client's other claims. It will cover the nuts and bolts of workers' compensation claims, from filing, types of claims, availability of benefits, denials, and timelines. It will also explore the interaction between workers' compensation claims and other claims that may arise from the same incident or be ancillary to the work injury claim, for example, motor vehicle accidents (including UM/UIM considerations), personal injury claims, product liability claims, intentional torts, professional negligence, and employment and wage claims. Our panel of speakers are three attorneys from Schoenfeld & Schoenfeld PC: **Steven M. Schoenfeld, Karen Ruga Schoenfeld, and Spencer Aldrich.**
