This is a great way for attorneys to gain exposure to basic estate planning issues and to begin compiling estate planning forms.

Presented in two parts, experienced estate planner **Darin Dooley** and **Megan Fuhrer** of Nay & Friedenbergs will first present a 1.5 hour CLE on the basic information and tips attorneys should consider when beginning an estate planning practice.

After a brief break, registrants will have a chance to test what they learned in the CLE. Attendees of the lab will receive a packet of estate planning forms, a page of hypothetical situations framing important estate planning issues, and will be walked through a number of likely scenarios.

Following the workshop, participants are invited to mingle and socialize with the speakers and other attendees. Hosted hors d'oeuvres and a cash bar will be available.
