This "how-to" CLE will offer practical strategies for preparing your experts for their deposition, including tips for how to assist experts with report writing and answering tough questions; how to effectively depose an expert; how to use the federal rules on experts to your advantage, and whether depositions of experts in state court are appropriate. Our dynamic panel will be **Chris Kayser**, Larkins Vacura, and **Paul Conable** of Tonkon Torp, both experienced business litigators and trial lawyers.
