# Economic Damages in Employment Cases: How to Present and How to Attack

Come for a presentation by economist **Kevin Cahill**, ECONorthwest, plaintiff's counsel **Charese Rohny**, Charese Rohny Law Office, and defense counsel **Nicholas Kampars**, Davis Wright Tremaine. All three focus a portion of their practices on employment disputes. They will use panel discussion and role play to present approaches to quantifying damages and then demonstrate ways to handle the weaknesses of each approach. They will also share thoughts about the impact of economic and non-economic damages calculations on case intake, settlement negotiations and trial outcomes.
